You **MUST** have your own reliable transportation and the ability to work in all weather conditions. The pay will be determined by skill and experience in this field.

Please, no preexisting injuries. This job will be physical.

Knowledge, skills and abilities:

- Ability to frequently lift and/or carry from 40-70 pounds.
- Must have the ability to understand and follow oral or written instructions.
- Must be able to sit, stand, stoop, bend, crouch or walk for extended periods of time.
- Must be able to climb on and off of equipment.
- Knowledge of hand and power tools used in skilled trade work.
- Work hours vary and may include 10 hours a day during the day or night.
- Knowledge of Metal Building construction.
- Knowledge of greenhouses construction.

Please, no drop in's.

This interview process will be by appointment only.

Thank you for your time, we look forward to reviewing your resume.

Required experience:

- Construction experience preferred: 4 years
- Have your own tools
- Have your own reliable transportation
- Possess a valid driver's license
- Possess PPE (personal protection equipment) is a plus
